The firm plans to manufacture small quantities of the listed controlled

substances to make deuterated and non-deuterated drug reference standards which will be distributed to analytical and forensic laboratories for drug testing programs.

No comments or objections have been received.

DEA has considered the factors in Title 21, United States Code, Section 823(a) and determined that the registration of Cerilliant Corporation to manufacture the listed controlled substances is consistent with the public interest at this time. DEA has investigated Cerilliant Corporation to ensure that the company's registration is consistent with the public interest. This investigation included inspection and testing of the company's physical security systems, verification of the company's compliance with state and local laws, and a review of the company's background and history. Therefore, pursuant to 21 U.S.C. § 823 and 28 CFR §§ 0.100 and 0.104, the Deputy Assistant Administrator, Office of Diversion Control, hereby orders that the application submitted by the above firm for registration as a bulk manufacturer of the basic classes of controlled substances listed above is granted.

Dated: June 4, 2001.
